Vault

Photo Bundle

Designed for photographers who need reliable protection for their gear, the Vault Photo Bundle combines the rugged Peli™ Vault V300 Equipment Case with a compatible padded divider system. Whether travelling between shoots, working on location or storing equipment safely, this bundle helps keep cameras, lenses, lighting accessories and other valuable gear protected and organised. The durable Vault case shields equipment from impacts, dust and demanding environments, while the configurable dividers allow you to create a tailored layout that suits your kit. It's a practical, professional solution for transporting and protecting photography equipment with confidence.

Included:
- Peli Vault V300 Equipment Case
- Peli 1485 Air Padded Divider Set

Peli Vault V300 Equipment Case
Built for demanding environments, the Vault V300 provides rugged protection for cameras, lenses and photography equipment. Its durable construction, secure latches and spacious interior help safeguard valuable gear during transport, travel and storage.

Peli 1485 Air Padded Divider Set
Compatible with the Vault V300 included in this bundle, this padded divider system allows photographers to customise the interior layout, organise equipment efficiently and minimise movement during transport for added protection.

• Complete protection and organisation solution for photography equipment.
• Ideal for transporting cameras, lenses, flashes and accessories safely.
• Customisable padded divider system keeps gear organised and secure.
• Rugged Vault case construction protects against impacts, dust and demanding conditions.
• Professional photography storage solution for travel, location shoots and everyday use.
