Protector

Carry-On Case

The original case introduced over 45 years ago has since evolved into the global standard for equipment protection. The Protector Case series is designed to survive and trusted to travel to the harshest environments on earth.
The Peli 1510 Protector Case provides military-grade protection for a wide variety of gear, from camera equipment to camping kits. It is available with foam, without foam, padded dividers, or TrekPak dividers. The Peli 1510 Protector Case is the maximum airline carry-on size, so you can travel with your sensitive gear close at hand.
(Check with your airline for exact measurement requirements)

• Watertight, crushproof, and dustproof construction for total protection in any environment
• Cabin friendly design suitable for carry on travel on many airlines, subject to individual airline policies*
