

2410 StealthLite™

Our most demanding users wanted a safety-certified task light slim enough to fit in a pocket, but without sacrificing performance. We integrated a high-intensity, machined-aluminum LED module with a locking on/off toggle switch, which is ideal for operating with gloved hands. The 2410 represents a safety-certified task light with the compactness necessary for on-the-go tasks, but with all the performance and durability that you'd expect from Peli. Same features as the StealthLite™ 2400 Flashlight, but with the LED module that produces a true, bright collimated LED beam. The 2410 is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included).

- Luminosa come una luce Xenon con la durata delle batterie di un LED
- Costruzione resistente Peli
- Sommergibile
- Fascio LED super luminoso
- Leggendaria garanzia Peli a vita**
- **Garanzia a vita non applicabile nei casi vietati dalla legge

DIMENSIONI

lunghezza	7.00" (17.8 cm)
------------------	-----------------

MATERIALE

corpo	EXL
o-ring	Ethylene Propylene
lente	Polycarbonate (PC)
copertura	ABS
fermo della molla di contatto	Stainless Steel / Phosphore Bronze

COLORI

Black	High Visibility Yellow
