

## 2410 StealthLite™

Our most demanding users wanted a safety-certified task light slim enough to fit in a pocket, but without sacrificing performance. We integrated a high-intensity, machined-aluminum LED module with a locking on/off toggle switch, which is ideal for operating with gloved hands. The 2410 represents a safety-certified task light with the compactness necessary for on-the-go tasks, but with all the performance and durability that you'd expect from Peli. Same features as the StealthLite™ 2400 Flashlight, but with the LED module that produces a true, bright collimated LED beam. The 2410 is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included).

- Батареи: Щелочные 4 AA (в комплекте)
- Защитный шнур
- Rotational switch with locking on / off feature
- Compact, slender design
- Водонепроницаемость степени IPX7

### РАЗМЕРЫ

<b>длина</b>	7.00" (17.8 cm)
--------------	-----------------

### МАТЕРИАЛЫ

<b>корпус</b>	EXL
<b>уплотнительное кольцо</b>	Ethylene Propylene
<b>линза</b>	Polycarbonate (PC)
<b>футляр</b>	ABS
<b>держатель контактной пружины</b>	Stainless Steel / Phosphore Bronze

### ЦВЕТА

Black	High Visibility Yellow
