

2410 StealthLite™

Our most demanding users wanted a safety-certified task light slim enough to fit in a pocket, but without sacrificing performance. We integrated a high-intensity, machined-aluminum LED module with a locking on/off toggle switch, which is ideal for operating with gloved hands. The 2410 represents a safety-certified task light with the compactness necessary for on-the-go tasks, but with all the performance and durability that you'd expect from Peli. Same features as the StealthLite™ 2400 Flashlight, but with the LED module that produces a true, bright collimated LED beam. The 2410 is corrosion proof, resistant to extreme temperatures, and submersible. It is powered by 4 AA alkaline cells (included).

- So hell wie eine Xenon-Lampe mit der Batterielebensdauer einer LED
- Widerstandsfähigkeit von Peli
- Tauchfähig
- Extrem heller LED Strahl
- Beschränkte lebenslange Garantie von Peli**
- **Die lebenslange Garantie gilt nicht, wo dies gesetzlich unzulässig ist
