Peli understands that finding the right protection, with the perfect fit for your gear, is a priority. Peli<sup>™</sup> Air began with long protection and quickly grew to offer you deep protection. The time has come to combine those two in order to create Peli's new Long/Deep Series. Gone are the days of dangerously forcing your equipment into the wrong size case or leaving it unprotected with no other options. With Peli's Long/Deep series, we've created the missing link so that no matter the demands of your gear, Peli has you covered.
